Long Island Collection

The Long Island, driven by its beautiful rectangular shape and numbers has become a leading collection of Franck Muller. The architecture of the Long Island is designed to perfectly fit the wrist of its owner, highlighting individuality as well as elegance. The unique and gorgeous numeral design is also what makes the Long Island immediately identifiable. It is a true example of a vibrant and sophisticated design that has timeless elegance. Every single detail of the Long Island™ has been designed with care and attention to match the elegance of its owner.
